Please take a moment to go to www.stjohnsbooster.com and read the minutes from past meetings if you were unable to attend the general meetings. We are trying to have them posted within a month.

Updates:

The March 16th Meeting will instead be a combination meeting about Urban Renewal coming into St Johns. This is a VERY important meeting to attend so please try to attend. Your input is critical. The meeting will be at the St Johns Community Center on March 16th from 6-8pm.

There is a possibility that Google will choose St Johns to test their new Ultra high speed internet service. If you are interested in helping that to occur, go to www.google.com/appserve/fiberrfi and fill out the 1 page survey. They will request that you sign up for a gmail account, this can be filled in with nonsense so the spaces are full, but no account is actually activated.

Prescription Drug Turn-in

Unwanted or expired drugs can be turned in and safely disposed of at FRED MEYER 7404 N Interstate Saturday

March 13th from 10am-4pm. This is a great way to keep things from getting in the hands of little ones or disposing of them through flushing into the water system.

Roosevelt High School is offering the play the Wizard of Oz
Friday, March 12th and Saturday, March 13th -- 7 p.m.

Saturday, March 13th -- 2 p.m MATINEE!

Wizard of Oz - Roosevelt High School

Tickets for the performances are now on sale online at www.rooseveltheatre.org or you can contact the box office at 503-916-5260 ext. 71424
